Los Angeles, CA 90073

**UNDERGROUND STORAGE TANK PROGRAM - CASE CLOSURE
VETERANS ADMINISTRATION MEDICAL CENTER, USTS T-501
11301 WILSHIRE BOULEVARD, LOS ANGELES (CASE ID NO. 900730043)**

Dear Mr. Tripp:

This letter confirms the completion of a site investigation and corrective action for the underground storage tank(s) formerly located at the above-described location. Thank you for your cooperation throughout this investigation. Your willingness and promptness in responding to our inquiries concerning the former underground storage tank(s) are greatly appreciated.

Based on information in the above-referenced file and with the provision that the information provided to this agency was accurate and representative of site conditions, this agency finds that the site investigation and corrective action carried out at your underground tank(s) site is in compliance with the requirements of subdivision (a) and (b) of section 25296.10 of the Health and Safety Code and with corrective action regulations adopted pursuant to section 25299.3 of the Health and Safety Code and that no further action related to the petroleum release(s) at the site is required.

This notice is issued pursuant to subdivision (g) of section 25296.10 of the Health and Safety Code.

If you have groundwater monitoring wells or vapor extraction wells at the subject property, you must comply with the following:

1. All wells must be located and properly destroyed.
2. Well abandonment permits must be obtained from the Los Angeles County Department of Health Services, Water Well Permits, and all other necessary permits must be obtained from the appropriate agencies prior to the start of work.
3. You must submit a report on the destruction of the wells to this office by **August 30, 2005**. This report must include, at a minimum, a site map, a description of the well destruction process, and copies of all signed permits.

California Environmental Protection Agency

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
